APPLICATIONS FOR APIEXPO IS STARTING!

We are very excited that 49th Apimondia International Apicultural Congress once again will be the world's largest gathering place for Beekeeping.

Hall D of the Bella Center will be used as the exhibition center of Apimondia 2025 with a total area of more than 7.000 sqm.

Due to the very easy access to Denmark we expect to welcome traders from all over the world. Denmark is also an easy trading country and it is easy to bring in goods for the exhibition. We are sure you will be inspired and get caught by the trade spirit from all over the world. The trade exhibition will be worth the travel.

ApiExpo floor plan will be available on the congress web page together with the on-line application form on August 15th, 12.00 CET.
